Bavarian gas plant, 340
Belgium and West Germany to buy gas from Holland, 144
Borrowing Powers Bill gets Second Reading, 83
BP strikes methane 42 miles east of Humber, 376
British Engine Co. Ltd. technical reports, 195
B.S.I. ' Buyers 'guide,' 339
Butane tanks from W. C. Holmes Ltd., 198

C

Canadian visit of top gasfitter, 63
Catering and heating centre opens, 377
Coalite to build new works in Yorkshire, 25
Coleraine and Portstewart gas prices raised, 377
Cremorne Lane plant opened, 23

D

Davy-Ashmore visited by Minister, 292
Davy-Ashmore orders computer, 292
' Demand for naphtha soars,' 200
Distribution Survey, September-October, 297
Domestic heating congress, 200
Dutch gas pipeline survey to be made, 62

E

Eastern Gas reorganises its service department, 169
Electricity's ' Penal Code ' of charges, 25
Electric power convention, 57
Energy forecast, 291
Esso may drill in Surrey, 340

F

Fourteen mill. miles without an accident, 23
Fridges sell well in May, 23
Froth insulation for butane tank, 63

G

Gas in Germany, 271
Gasholders under attack from planning committee, 198
Gas on the Continent, 81, 140, 219, 289

H

H. & G. wins Tasmanian order, 291
Heating and insulating exhibition in Manchester, 273
Heating market hots up, 169
High pressure main diverted without interrupting supply, 308
Holland sell gas to West Germany and Belgium, 144
Hydrostatic testing of gas pipeline diversion 304

I

ICI to expand its catalyst production, 378
Ideas win cash, 199
Industrial energy developments and costing meeting, 291
Instrument conference, 83
Instrument Technology symposium, 273
International HEVAC at Olympia, 378
International safety code, 195
INTHERM 66 conditions, 200
Isle of Grain contract worth £5 mill., 376
Italian oil and chemicals exhibition, 237

K

Kontalyt plant ordered for Killingholme, 340

L

Leeds heating breakthrough, 235
L.p.g. terminal opened, 201

M

Main under Solent is planned, 200
Management and marketing course, 292
Manx gas companies nationalised, 273
Mr. Cap moves to new site, 26

N

National Plan—gas sales should grow 7¼% per year, 340
Newman motors at Seabank works, 200
Nigerian gas—
  Exploratory visit, 199
  Processing plant plans, 221
Northern Board's Killingworth headquarters opened, 82
Northern Board orders £2 mill. plant, 144
Northern LP-Gas terminal opened, 236
North Sea—
  Amoco supply vessel order, 62
  BP strikes methane 42 miles east of Humber, 376
  Minister to invite further applications, 122, 199
  Mr. Cap in for repairs, 166
  ' Sea Gem ' drills off Humber estuary, 169
  ' Sea Quest ' drilling barge, 123
North Star drilling rig—
  During fitting out, 62
  Launched at Clydebank, 26
North Thames raises gas prices, 123

O

Outer London main makes rapid progress before winter sets in, 312

P

Pipe-laying system, 313
Pipelines applications authorised, 221
Pipeline finance company, formed, 167
Plant engineers' lecture course, 236
Poole orders Topsoe plant, 63
Powell Duffryn reports ' frustrating ' financial year, 169
Power-Gas receives £5 mill. contract, 376
Power-Gas wins C.R.G. contract, 340
Prague symposium on gas production, 145
Prefabricated storage tanks from Soviet Union, 145

Q

Quality control in welding, 124

R

Radiation exports up by 40%, 144
Reinstatement compromise adopted. 236
Road Tar meeting held at Vichy, 63
Robinson Willey office opened, 168

S

' Saharan Venture ' shown at the Rialto, 145
' Saharan Venture ' to be shown on board ship, 166
SASOL pipeline progress, 201
Scottish Section annual general meeting, 373
Seerthrust simplifies road, rail crossings, 303
Sir Harold Smith visits Methane terminal, 235
Sir Kenneth Hutchison returns from Nigerian talks, 235

AREA BOARDS

EASTERN
  Development programme, by E. O. Rose, 40
  Hitchin and Norwich works, 41
  New plant opened at Cremorne Lane, 23
  Service department reorganised, 169

EAST MIDLANDS
  Hydrostatic testing of gas pipeline diversion. 304
  Kontalyt plant ordered for Killingholme, 340

NORTH THAMES
  Gas prices raised, 123

NORTHERN
  Killingworth headquarters opened, 82
  Northern LP-Gas terminal opened, 201, 236
  Order for £2 mill. plant, 144
  West Hartlepool works, 351

NORTH WESTERN
  ' Invest in gas ' exhibition, 378

SOUTHERN
  Gas sales up 13%, 340
  High pressure main diverted without interrupting supply, 308
  Poole orders Topsoe plant, 63
  Poster wins design award, 122

SOUTH EASTERN
  C.R.G. plant ordered for East Greenwich, 340
  Froth insulates Brighton tank, 63
  Isle of Grain contract worth £5 mill., 376
  Medway pipeline, 167
  Outer London main makes rapid progress before winter sets in, 312
  Whessoe to build ten tanks for East Greenwich, 236

WEST MIDLANDS
  £8 mill. works at Birmingham, 341
  Tariff changes, 341
